Commissioner for Trademarks  
P.O. Box 1451  
Alexandria, VA 22313-1451

PREMIER SYSTEMS USA, INC., a California corporation, located and doing business at 16291 Gothard Street, Huntington Beach, California 92647 (“Opposer”) believes that it will be damaged by the registration of U.S. Trademark Application Serial No. 85/939,010 for the alleged mark OLLI in International Class 9, filed by GRIFFIN TECHNOLOGY, INC., a Tennessee corporation, located and doing business at 2030 Lindell Avenue, Nashville, Tennessee 37203 (“Applicant”) and therefore opposes the same.

A description of Applicant's application ("Applicant's OLLI Application") is as follows:

Serial No.: 85/939,010

Goods: electronic hardware for attachment to portable electronic devices to convert them to point-of-sale terminals, barcode scanners and magnetic stripe readers

Class: 9

Filed: May 22, 2013

Filing Basis: 1(b) Intent-to-Use

As grounds for opposition, it is alleged:

1. In connection with Opposer's OLLOCLIP and OLLO marks, Opposer offers lenses for cameras, lenses for cameras incorporated in mobile electronic devices, carrying cases for mobile electronic devices, and a mobile software application for mobile electronic devices.

2. Opposer is the owner of and relies on U.S. Trademark Registration No. 4,137,064 for the mark OLLOCLIP for "Lenses for cameras; lenses for cameras incorporated in mobile electronic devices" in International Class 9 (the "'064 Registration"). Attached as Exhibit A is a true and correct copy of the printout from the electronic database records of the United States Patent and Trademark Office ("PTO") showing the current status and title of the '064 Registration, as well as a true and correct copy of the registration certificate for the '064 Registration. The '064 Registration's filing date is June 21, 2011. Opposer's date of first use of its OLLOCLIP mark in connection with lenses was at least as early as July 2011. Opposer's filing date and first use date for its OLLOCLIP mark are prior to the May 22, 2013 filing date for Applicant's OLLI Application. On May 1, 2012, Opposer's OLLOCLIP mark subject of the '064 Registration passed to registration on the Principal Register. Pursuant to Section 7 of the Trademark Act, 15 U.S.C. § 1057(c), Opposer's trademark rights to its OLLOCLIP mark predate any alleged trademark rights Applicant may claim to the alleged mark OLLI subject of Applicant's OLLI Application.

3. Opposer is the owner of and relies on U.S. Trademark Registration No. 4,380,611 for the mark OLLOCLIP for "Carrying cases for mobile electronic devices" in International Class 9 (the "'611 Registration"). Attached as Exhibit B is a true and correct copy of the printout from

the electronic database records of the PTO showing the current status and title of the '611 Registration, as well as a true and correct copy of the registration certificate for the '611 Registration. The '611 Registration's filing date is June 21, 2011. Opposer's date of first use of its OLLOCLIP mark in connection with carrying cases was at least as early as January 2013. Opposer's filing date and first use date for its OLLOCLIP mark are prior to the May 22, 2013 filing date for Applicant's OLLI Application. On August 6, 2013, Opposer's OLLOCLIP mark passed to registration on the Principal Register. Pursuant to Section 7 of the Trademark Act, 15 U.S.C. § 1057(c), Opposer's trademark rights to its OLLOCLIP mark subject of the '611 Registration predate any alleged trademark rights Applicant may claim to the alleged mark OLLI subject of Applicant's OLLI Application.

4. Opposer's U.S. Registration Nos. 4,137,064 and 4,380,611 (the "OLLOCLIP Registrations") are valid, subsisting, unrevoked and uncanceled; as such they constitute *prima facie* evidence of the validity of Opposer's registered OLLOCLIP mark and of the registrations thereof, and of Opposer's ownership of its OLLOCLIP mark shown therein. Opposer's OLLOCLIP Registrations also constitute notice to Applicant of Opposer's claim of ownership of its OLLOCLIP mark shown therein as provided in Sections 7(b), 22 and 33(a) of the Trademark Act, 15 U.S.C. §§ 1057(b), 1072 and 1115(a).

5. Opposer is the owner of and relies on U.S. Serial No. 85/668,411 for the mark OLLOCLIP for "Software for taking, processing, uploading, organizing, viewing, enhancing, sharing and commenting on images, graphics, video and photographs; software to enable the transmission of images, graphics, video and photographs using mobile electronic devices; software for editing, altering, enlarging, reducing, retouching and finishing images, graphics, video and photographs" in International Class 9 (the "'411 Application"). Attached as Exhibit C

is a true and correct copy of the printout from the PTO's electronic database records showing the current status and title of the '411 Application. The '411 Application's filing date is July 3, 2012. The '411 Application predates the May 22, 2013 filing date for Applicant's OLLI Application.

6. Opposer is the owner of and relies on U.S. Serial No. 85/631,170 for the mark OLLO for "Lenses for cameras; lenses for cameras incorporated in mobile electronic devices; Carrying cases for mobile electronic devices" in International Class 9 (the "'170 Application"). Attached as Exhibit D is a true and correct copy of the printout from the PTO's electronic database records showing the current status and title of the '170 Application. The '170 Application's filing date is May 21, 2012. The '170 Application predates the May 22, 2013 filing date for Applicant's OLLI Application.

7. Opposer is the owner of and relies on U.S. Serial No. 85/668,401 for the mark OLLO for "Software for taking, processing, uploading, organizing, viewing, enhancing, sharing and commenting on images, graphics, video and photographs; software to enable the transmission of images, graphics, video and photographs using mobile electronic devices; software for editing, altering, enlarging, reducing, retouching and finishing images, graphics, video and photographs" in International Class 9 (the "'401 Application"). Attached as Exhibit E is a true and correct copy of the printout from the PTO's electronic database records showing the current status and title of '401 Application. The '401 Application's filing date is July 3, 2012. The '401 Application predates the May 22, 2013 filing date for Applicant's OLLI Application.

8. Since at least before the filing date of Applicant's OLLI Application, Opposer has continuously used and promoted its OLLOCLIP and OLLO marks in interstate commerce in connection with Opposer's goods. By virtue of Opposer's continuous and substantial use, the

OLLOCLIP and OLLO marks have become identifiers of Opposer and its goods, and distinguish Opposer's goods from the goods and services of others. As a result, Opposer has built up, at great expense and effort, a significant amount of valuable goodwill in its OLLOCLIP and OLLO marks.

9. In addition to the protection afforded Opposer by its federal trademark registrations and applications, Opposer has extensive common law rights in its OLLOCLIP and OLLO marks throughout the United States.

10. Applicant's OLLI Application was filed on May 22, 2013, and is based on Applicant's intent to use the mark. Opposer's rights in its OLLOCLIP and OLLO marks are prior and superior to any rights Applicant may claim to the alleged mark OLLI.

11. Based on Applicant's OLLI Application, Applicant intends to use the alleged mark OLLI in connection with electronic hardware for attachment to portable electronic devices. The goods listed in Applicant's OLLI Application are related to Opposer's goods sold in connection with Opposer's OLLOCLIP and OLLO marks.

12. Opposer will be damaged by registration of Applicant's alleged mark OLLI subject of Applicant's OLLI Application, in that the alleged mark OLLI so resembles Opposer's OLLOCLIP and OLLO marks registered and applied for in the PTO, and in which Opposer owns common law trademark rights, as to be likely, when used on or in connection with the goods identified in Applicant's OLLI Application, as to cause confusion, or to cause mistake or to deceive within the meaning of Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d).

13. In view of Opposer's senior rights in its OLLOCLIP and OLLO marks, Applicant is not entitled to registration of the alleged mark OLLI, subject of Applicant's OLLI Application, pursuant to Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d).

WHEREFORE, Opposer prays that U.S. Trademark Application Serial No. 85/939,010 be rejected and stricken, that no registration be issued thereon to Applicant, and that this opposition be sustained in favor of Opposer.

Please charge Deposit Account No. 11-1410 to cover the opposition fee and any additional fees which may be required, or credit any overpayment to this account.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
